

Patricia Ng

Senior Coach

Profile

Patricia has 13 years of HR professional working experience from SME company to large corporate company in construction and contractor, retailing and IT industry. She was a HR Manager in YTL Construction, taking responsibility in HR Business Partnering for over 1,300 employees in Malaysia. Over the years in HR, she has developed a rich understanding of HR strategy, outstanding HR management especially in talent management and compensation & benefits, employee relations skills with key stakeholders and people data analytics. She also has strong leadership and problem-solving skills with a track record of leading a group of HRs to implement and complete the task for the Business Continuity Plan during the pandemic MCO for a large organization.

The decision for her to move forward and to be an HR Strategic Coach in Vimicoach was driven by her desire of not only be good HR but to become a truly valuable HR Business Partner by helping and providing, coaching and mentoring the business owners and key leaders in the People Management to achieve their business goals with the win-win for employer and employees in pay win, relationship win and eventually to a purpose win.
